Property Registration Instructions

The Village of West Milwaukee adopted Chapter 14, Section 530-538 of the Municipal Code requiring all non-owner occupied and all commercial property owners to register ownership contact information to the Clerk’s Office. Single, two-, and three-family properties are exempt if the owner’s residence is the listed property. The contact information collected is used to notify those that have care and control of the property when there are building code violations.
