

SPECIAL VILLAGE BOARD MEETING MINUTES OF NOVEMBER 17, 2021

President Stalewski called the Village Board meeting to order at 3:48p.m and led the membership in the Pledge of Allegiance.

Roll Call:

Present: Edgar, Greenfield, Hildenbrand, Stalewski

Absent: Schaefer, Ragonese

LEGISLATIVE COMMITTEE CHAIRPERSON JOHN STALEWSKI

The purpose of the meeting is consideration and possible action regarding “A Resolution to Divide the Village of West Milwaukee Into Wards Pursuant to Wisconsin Statutes Section 5.15(4) and Combine Election Wards Pursuant to Wisconsin Statutes Section 5.15(6)(b)” (12-R-21)

Clerk/Treasurer Susan Schupp explained with the findings from each census, every ten years redistricting is completed. All of the positions within the Village of West Milwaukee are at large and the Village boundaries did not change. Some of the population demographics within the districts may have changed. The Village has six (6) wards and two (2) reporting units and one (1) polling location. Wards one (1), two (2) and five (5) have one ballot and wards three (3), four (4) and six (6) have another ballot. All ballots go in one machine, but are tallied separately. Each set of wards has to fall within a population of 300-1000 people. The main change on the new resolution is the census block numbers.

President Stalewski asked if our representation within County District 15 has changed. Clerk/Treasurer Schupp clarified that it has not changed and the County Supervisor remains the same.

Trustee Greenfield moved, seconded by Trustee Hildenbrand to approve “A Resolution to Divide the Village of West Milwaukee Into Wards Pursuant to Wisconsin Statutes Section 5.15(4) and Combine Election Wards Pursuant to Wisconsin Statutes Section 5.15(6)(b)” (12-R-21)

Roll Call:

Ayes: Edgar, Greenfield, Hildenbrand, Stalewski

There being no further business before the Village Board, Trustee Edgar moved, seconded by Trustee Greenfield to adjourn. Time 3:55p.m.

Voice vote.

The motion carried.

Respectfully Submitted,
Kayla Fitzgerald
Administrator Assistant
