Village News Brief

President's Message

Welcome to the summer issue of the Village Newsletter.

As I write this, summer-like weather is slowly returning and with it, the promise of summer activities. The Village will be hosting **TWO** Pop-Up Beer Gardens at West Milwaukee Park on Thursday June 22nd and July 20th. There will be live music, food trucks, and activities beginning around 5 PM. Last year was the first time we did an event like this and you told us to do more. This is your park, I hope you can come out to enjoy it.

There was a great article in the Sunday, April 30th Journal Sentinel by James E. Causey, check it out online. The title is "Trouble don't like Cleanliness". To paraphrase, studies show a cleaner Village is a healthier and safer Village. When the streets are clean and there is no trash in the yards people are less stressed. It has been said that if you keep your house clean, people will respect it. But there are people who never learned to respect their property or themselves and you can see it. When they toss that fast food trash out of their car pick it up and put it where it belongs. Let them see self-respect in action.

When you have a chance, please, thank our Police, DPW and municipal staff for the outstanding effort they have shown to support all of us and keep our Village a great place to live. In recent weeks, we have seen some disturbing actions by people travelling through our village and our Police department has done an outstanding job dealing with them through great investigative and enforcement activities. Thank you!

Public Service opportunities come up from time to time to participate as a citizen commissioner. If you would like to be considered to serve in some capacity, please contact me.

Please remember that you are always welcome to attend our Village Board meetings on the first and third Monday of the month at 7 PM. There is always an opportunity for public comments at the start of these meetings. Hope to see you.

Sincerely,

John Stalewski

WEST MILWAUKEE STRONG NEIGHBORHOODS PROGRAM

The Strong Neighborhoods Program is an initiative developed by the Village of West Milwaukee to help increase the attractiveness of West Milwaukee housing stock. Strong Neighborhoods aims to work with citizens to invest in both them and their homes. The Strong Neighborhoods initiative will assist with property maintenance order compliance and exterior improvements. The new programs will be financed through a TIF financing law known as the "Affordable Housing Extension" that allows the extension of a TIF to benefit a municipalities housing stock. Funds for these programs will be available in the form of grants as outlined in State Statute 66.1105. Investing in the Village's housing stock will result in a ripple effect that will benefit everyone within the Village. Please www.westmilwaukee.org for more information or call 414-645-1530.

The West Allis - West Milwaukee Recreation & Community Services team, as a department within the school district, inspires and empowers you to be an active lifelong learner through engaging, equitable and accessible programs, services, and opportunities that are a source of pride for our community. We have been bringing family & community together through recreation since 1934!

Summer in Wisconsin will be here before we know it and we want to make sure you get the most out of the nice weather! Here are some of the latest updates from the WAWM RCS Department. Make sure to follow us on Instagram and Facebook @wawmrcs!

New Addition

The WAWM RCS Team has a great problem - they are outgrowing their current space. Program offerings are growing and expanding so we are planning to construct an addition at the Recreation and Community Services Center on the southeast corner of the property. The plan is to add additional multi use spaces that will allow for current programs to serve more participants and to provide additional programs and services on site.

WAWM Youth Theater Presents Beauty and the Beast Jr.

The classic story tells of Belle, a young woman in a provincial town, and the Beast, who is really a young prince trapped under the spell of an enchantress. If the Beast can learn to love and be loved, the curse will end and he will be transformed to his former self. But time is running out. Auditions will be held in the West Allis Central High School auditorium for students who have completed 3rd - 12th grade on either May 30 or May 31 from 5pm- 8pm. Callbacks (if needed) will take place on June 1. More info in 2023 Summer Activity Guide.

With summer just around the corner it is important that we all work together to stop the rodent problem. See below for some tips on what you can do to help:

- Clean up bird feed that falls on the ground daily.
- Do not let dog poop accumulate in yards or laws, be sure to clean it up every day.
- Trim overgrown shrubs, plants, tall grass, and brush piles because they provide shelter for rodents.
- Keep garbage off the ground and in approved carts.
- Use a composting bin with a lid to prevent rodents.

Rodent issues can be reported online at Let Us Help, at www.westalliswi.gov/letushelp or by scanning QR code below. For more information visit www.westalliswi.gov/ratprevention

Con el verano a la vuelta de la esquina, es importante que todos trabajemos juntos para detener el problema de los roedores. A continuación encontrará algunos consejos sobre lo que usted puede hacer para ayudar:

- Limpie los restos de comida de pájaro que caen al suelo todos los días.
- No deje que los excrementos de su perro se acumulen en el patio o el césped, procura limpiarlos todos los días.
- Recorte los arbustos, las plantas, la hierba alta y los montones de maleza que crezcan demasiado, ya que sirven de refugio para los roedores.
- Mantenga la basura recogida y en contenedores autorizados.
- Utilice un contenedor de compostaje con una tapa para evitar que entren roedores.

Puede informarnos de cualquier presencia de roedores en la sección de Let Us Help, en www.westalliswi.gov/letushelp. Para más información, visite nuestra página de internet: www.westalliswi.gov/ratprevention
